

CSL Dean's Undergraduate Research Scholarship

Nomination Form for Summer 2008 Award

The College of Science and Letters believes that engaging undergraduates in research will enrich their experience at IIT and help prepare them for careers. To support this belief, the College will provide several \$5,000 CSL Dean's Undergraduate Research Scholarships so that select undergraduates can conduct research for 10 weeks during the summer. This financial support to students will allow them to participate in research work between school terms and catalyze their scholarly activities and productivity.

- Please submit the nomination form and supporting materials to CSL Dean's Undergraduate Research Scholarship Committee, E1 bldg., room 125, by **February 15, 2008**. We will announce the awards in April 2008.
- Nominations are accepted from all IIT Faculty.
- Only full time students in good standing who are usually in their sophomore or junior years with GPA 3.0 and above and who are not recipients of any other similar scholarship, are eligible for nomination.
