

## Math 350 — Computer Assignment 4, due March 18, 2010

---

1. Do Exercise 4.2 in NCM.

Note that the Symbolic Toolbox is part of the student version of MATLAB. If you're not using the student version, you may not have access to the Symbolic Toolbox. It should be installed on all campus computers. Alternatively, you can use Maple to complete part (a).

2. Do Exercise 4.3 in NCM.

Again, the Symbolic Toolbox or Maple may be helpful for part (a).

3. Do Exercise 4.10 in NCM.

4. Do Exercise 4.15 in NCM.

5. Do Exercise 4.16 in NCM.
